

# 12th Internacional Symposium on Disaster Risk Management:

Reconstruction towards Resilient Cities

September 5 - 8, 2018. Lima, Peru

## POST-SYMPOSIUM FIELD VISITS

Three field visits have been scheduled during ISDRM2018. They aim at on site verification of disaster risk conditions and at analyzing the strategies for subsequent reconstruction.

The post-Symposium visits will be in charge of technical guides specialized in the subject.

### ZONE 1. COSTA VERDE AND CALLAO

**Places of interest:** Chorrillos, Barranco, Miraflores, San Miguel, La Punta, Callao, Taboada Wastewater Treatment Plant (TBC).

**See:** Risk areas and safe areas against earthquakes and tsunamis, measures adopted by municipalities and the Regional Government of Callao, evacuation routes.

**Date:** Saturday September 8

**Hours:** 7:00 am – 5:00 pm

**Place of departure:** Peruvian Association of Professional Engineers (CIP)  
Av. Arequipa 4947, Miraflores

**Registration fee:** USD 30 (incl. taxes)

**The field visits includes:**

Private transportation for the group, light snack and technical guide.

Does not include lunch.

Departure subject to a minimum of 07 participants.

# 12th International Symposium on Disaster Risk Management:

Reconstruction towards Resilient Cities

September 5 - 8, 2018. Lima, Peru

## ZONE 2. CENTRAL HIGHWAY

**Places of interest:** Los Ángeles bridge - Chaclacayo, Cantuta (entry) y Caracol bridge, ravine Pedregal, ravine Carossio, ravine Cashahuacra, ravine Chingolay, Cuspanca and Callahuanca hydropower plants.

**See:** Areas impacted by debris flows (huaycos), flooded and flooded areas of the Rímac River, triggers and conditions of threats, conditions of vulnerability and resilience of populations, structural works of disaster risk reduction (energy dissipaters, barriers dynamics, others).

**Date:** Saturday September 8

**Hours::** 7:00 am – 6:00 pm

**Place of departure:** Peruvian Association of Professional Engineers (CIP)  
Av. Arequipa 4947, Miraflores

**Registration fee:** USD 44 (incl. taxes)

**The field visits includes:**

Private transportation for the group, light snack and technical guide.

Does not include lunch.

Departure subject to a minimum of 07 participants.

## ZONE 3. PISCO

**Places of interest:** Pisco, Chincha Alta and Tambo de Mora

**See:** Areas that were affected by the 2007 earthquake, where the adobe houses were destroyed, while those of noble material were destroyed by an apparent liquefaction of the ground, since they sank 2 m above ground level.

**Date:** Saturday September 8

**Hours::** 7:00 am – 8:00 pm

**Place of departure:** Peruvian Association of Professional Engineers (CIP)  
Av. Arequipa 4947, Miraflores

**Registration fee:** USD 53 (incl. taxes)

**The field visits includes:**

Private transportation for the group, light snack and technical guide.

Does not include lunch.

Departure subject to a minimum of 07 participants.
